## EDUCATION

### University of Ilorin, Nigeria — *B.Sc. Computer Science*

SEPT 2020 - OCT 2025

Grade: First Class Honours (4.69/5.0)

## CORE SKILLS

**Programming:** C#, JAVA, Golang, JavaScript/TypeScript, Python

**Computer Science/Software Engineering:** System Design, Data Structures and Algorithms, Distributed Systems, Object-Oriented Design, Database Design, API Design

**Software/Frameworks:** .NET, NodeJS, Spring Boot, FastAPI, Gin, React,

**Databases:** MySQL, PostgreSQL, SQL Server, MongoDB, Redis

**Version Control:** Git, GitLab, BitBucket

**Cloud Platforms:** Azure, AWS, GCP

**DevOps & CI/CD:** Azure DevOps, GitHub Actions, GitLab CI

**Containers & Orchestration:** Docker, Kubernetes

## WORK EXPERIENCE

### Software Engineer (Intern) — *PacifyLabs Technologies Limited*

APR 2024 - OCT 2024 | Kwara, Nigeria | [Visit PacifyLabs](#)

Built and deployed a full-scale **full-stack application** ([BookMyTime](#)), contributing to every phase of the software development lifecycle

Implemented a secure Stripe subscription system with automated billing and webhooks, reducing payment errors by over 25% and improving subscription reliability.

Optimised the application for **SEO and performance**, improving the platform's Google search ranking significantly.

Built a **real-time admin dashboard with analytics and charts**, enabling the team to **monitor platform activities with 99% data accuracy** and make better data-driven decisions.

Set up **Vercel CI/CD pipelines for automated deployments**, cutting deployment time by 40% and ensuring faster, more stable feature releases.

## PROFESSIONAL SKILLS

Effective Communication

Analytical Thinking

Leadership & Collaboration

Attention to Detail

Ownership & Accountability

## PROFESSIONAL AFFILIATIONS

GDSC (Google Developer Students Club) – Member

NACOSS (Nigeria Association of Computing Students) – Member

DSA (DareWord Students Association) – Mentor

## VOLUNTEERING

### **Software Engineer** — *Nigeria Association of Computing Students (NACOSS)*

OCT 2020 - OCT 2024 | Nigeria | [Visit NACOSS](#)

**Modernised legacy NACOSS web systems** by refactoring outdated components and improving performance, **resulting in faster page loads and a smoother experience for members.**

**Enhanced the NACOSS website's usability** by redesigning key pages and restructuring UI flows, **resulting in increased user engagement and easier navigation for students.**

**Contributed to the overall revamp of NACOSS digital tools** by participating in code reviews and frontend planning sessions, **resulting in a more maintainable system and faster rollout of new features.**

### **Academic Mentor** — *DareWord Students Association (DSA)*

DEC 2023 - PRESENT | Kwara, Nigeria | [Mentorship Certificate](#)

Guide and mentor students to improve academic performance through personalised support and study strategies.

Provide mentorship that encourages engagement, confidence, and effective learning habits.

Track student progress and offer targeted advice to help them achieve outstanding results.

Facilitate peer learning and foster a collaborative academic environment.

## PROJECTS

### **QLearn**

JUN 2024 - AUG 2024 | [Visit QLearn](#)

This project addresses real challenges that students in Nigerian higher institutions face when using AI chatbots to study.

This project emerged as **Second Runner-Up out of 10 teams** in our capstone project showcase, highlighting the project's innovation and impact. ([View post](#))
